Karrer Place House Fire Ruled Accidental

DUBLIN – On May 19, the Washington Township Fire Department responded to a report of a house fire on Karrer Place off of S. High Street. When crews arrived on scene, fire could be seen in the back of the house on the deck area. Crews were able to attack the fire from the outside, but it quickly spread into the attic. Due to the structure of the home, the fire was able to spread through small pockets inside the attic, but was safely contained. No one was home at the time of the fire and no injuries were reported.

The fire was investigated and it was determined to be accidental. Officials want to remind homeowners that Spring is a good time to clean inside and outside the home of all possible fire hazards.

The damage to the home is estimated around \$1.5 million.
