(Dublin, OH) – The Washington Township Fire Department, Dublin City Schools, and the Nick Rozanski Memorial Foundation are proud to sponsor the first ever Dublin Community Honor Flight that will depart John Glenn Columbus International Airport on June 9th.

"We are thankful to be able to honor not only the service and sacrifice of Capt. Rozanski, but also all of the Veterans that will be on that flight."

Eighty-five veterans from the Central Ohio area will be on the flight. The public and media are invited to welcome all the veterans and guardians home.
